September

Principal Newsletter
Sept, 4th 2024

September is always the month where school life levels out and the routine sets in. It is also a month that is full to the brim with extra activities! Mother's Mass starts us off after the long labor day weekend. Followed by our always amazing Blood Drive, please sign up for a time if you are able to give blood. Grandparents day will be right after that. All grandparents are invited to join us for the celebration of their wisdom and support. Students will be able to leave with their grandparents following the event. Please send in those blue notes to let us know who is going with who. Then Picture day will close out the month. My old principals always told us to dress like we were going to Mass, sometimes that means wearing something a bit more formal than the norm lately. I always love to see those ties, let me know if you need to borrow one from me for your young gentleman!
